ABOUT MS. OPAL LEE

For over 40 years, Mrs. Lee, along with the help of many others, strives every year to keep and expand the celebration of our "Day of Freedom" June 19, 1865 when slaves in Texas found out they were free.

She is part of the National Juneteenth Observance Foundation, a national movement started by the late Dr. Ronald Myers to have Juneteenth declared a National Holiday much like Flag Day or Presidents Day. There are 47 states that recognize Juneteenth as a state holiday. In 2016 at age 90, she started a walking campaign all across the nation to bring attention and awareness to the need for a National Day of Observance for Juneteenth.
