

Voter Services News

The holiday season is almost over as we pen this note of gratitude to you.

First, thanks to all the Leaguers who stepped up during a second tough year to make sure residents of Shawnee and surrounding counties knew the importance of turning out for local elections. Your hard work and sincere conversations yielded positive results that we've previously reported. Look back at prior Voters if you want to be truly impressed by your efforts. A special shout-out to the Leaguers who went into our public high schools to introduce new voters to the hows and whys of involvement in the election process. You've been supportive and helpful to your community and to your fellow Leaguers this year and we are ever so grateful for that.

We also want to cast our eyes forward to the upcoming election cycle. This one will be noisier than the last with legislative and congressional candidates becoming familiar with new districts, new election laws to learn about, and all the vagaries of community outreach in the time of COVID.

We look forward to a new and exciting time in 2022 and your continued participation as we move further into our second century of supporting democracy and citizen involvement.

Stay safe and well,

Richie McDanel and Mary Galligan, Co-chairs
