

Voter Services: Are we making an impact?

We're nearing 1,000 contacts and have helped 64 people register to vote at our events this year. LWVTSC volunteers helped people understand the process of voting and what is on the ballot this year. The vast majority of people we talked to know voting is important and appreciate having the opportunity to update their voter registration. They readily take our wallet cards and bookmarks with election dates.

Volunteering is fun and easy

Our volunteers have logged more than 100 hours of service at 16 events! So far we've had 21 different volunteers help out. Thank you all so much for your service. If you haven't volunteered yet, find a 2-hour shift that fits your schedule and join us.
